Join us for our annual City Halloween event! This years celebration will feature themed trick-or-treating booths, food trucks, games, a Halloween movie, and more! Give your kids a costume run through before Halloween and bring them to our indoor trick-or-treating event! Kids under 14 will receive a free trick-or-treating bag at the door! Follow our [Facebook event](#) page for more details! See you there!

COLDER WEATHER

Winter is coming! As colder weather approaches, there are a few things to prepare for! Here is a list of things you can do around your house now to help with those chilly days.

- Before the temperature reaches freezing, it is a good idea to shut off your outside water and disconnect your garden hose.
- Switch your ceiling fans to spin counterclockwise to help with warm air circulation.
- Check for tiny cracks around your windowsill. Simple home repairs, like caulking your windows, can help save on your power bill!

VINEYARD HERITAGE COMMISSION CORNER

The Price of Progress:

The abuse of Utah Lake's tributaries and ecosystem began early. Beginning in the 1880s and continuing into the 1950s, raw sewage was drained into the creeks and streams that flowed into the lake. Sawmills did not want to pay to have sawdust removed with teams and wagons, so they dumped it into streams that ran into the lake. The sawdust got lodged in the gills of trout and suffocated large numbers of them.

SHERIFF'S DEPARTMENT

We would like to welcome Deputy Bret Ryan as our newest deputy in Vineyard and thank Deputy Gordon for all of his hard work here in the city. Deputy Gordon has been re-assigned to a County patrol team. Also just a reminder, with Halloween coming up and kids being out and about, to be mindful of persons or vehicles that are suspicious or do not belong in the neighborhoods. Please report any suspicious activity to the Utah County Sheriff's Office at 801-794-3970.

BUILDING DEPARTMENT

Vineyard is proud to announce that all inspectors with the Vineyard Building Department are now fully certified to do all residential and commercial inspections! Our inspectors have worked hard to get their certifications and it is an amazing accomplishment. Together we are building a great community.
